The Coffee Shop has gone retro. I was up in the attic and found some cool old items like the RCA TV sign, which as some of you know was up in front of motel for 30 years or so before we replaced the sign. I also acquired some neat coke signs and pictures dating back to the 60's. Other attic treasures included an old Cadillac Motor Inn Menu from which I used the wording as titles for our package breakfast items. Check this out, I even found a picture of the motel from back in 1977 WOW! I hope you will enjoy these items and enjoy your stay.
